Lo-Ru West Dance Studio has an account with DiscountDance.com. Teacher Program: TP26506. As a heads up, costumes usually run about \$60 -120 dollars per. I try extremely hard to keep these costs down for our studio.

**Attendance & Etiquette:** It is important to attend class for the benefits of learning, the sustaining of conditioning, improvement of memory, discipline to finish what you start and a courtesy of your fellow classmates. Please arrange to have lessons made up if missed. Please notify me if your dancer has any pre-existing conditions; I need to be aware of such as medications etc. I work hard at customizing movements to the needs of the dancer.

I have read and understand the registration form and rules for enrolling at Lo-Ru West Dance Studio. As the responsible billing party of this dancer, I understand that our tuition is due in a timely manner. I am aware that there are no refunds of tuition, fees, or costume fees once the season begins and they are charged on my account. This contract obligation will be completed by the last performance of the season: TBD May 2024. I look forward to a great season! Miss Robin Prior Director
